

TOSHA

Cultivating Mindful leaders and Inclusive cultures

Our vision is to DEVELOP leaders across all levels who inspire us to live into the fullness of our humanity.

Tosha partners with creative companies to:

- > Design immersive learning experiences
- > Apply a JEDI (Justice, Equity, Diversity, Inclusion) lens for all aspects of identity
- > Provide both online + in-person programs across the US, UK and APAC

Conscious Leadership Program

6-month leadership development programs for managers. Combines Labs, Peer based learning and 1:1 Coaching

NEW FOR 2024!

Coaching

Elevating leaders by building on mindfulness practices at the individual and group level.

Immersive Labs

We cover a large range of leadership topics from *Breaking Bias*, *Psychological Safety*, *Fostering Growth* to *Amplifying Trust* to addressing mindful and inclusion practices.

Strategy

We deliver insights and provide support around Leadership Development, DEI challenges, and 1:1 consultation to support the specific needs of your company.

We are global + diverse

Our expert strategist, facilitators and coaches draw on a myriad of lived experiences for greater representation, context and perspective sharing.

We are guided by our values

We are a for purpose business where we believe in equity over profit and annually invest profits in grassroots, community programs that provide education and support to those who most need it.
